INSPECTION REPORT

SGS Order No. : 17165536
Principal : QINGDAO STARCO CHEMICAL CO., LTD.
Declared Commodity : 500 MT OF AD BLUE GRADE UREA 46PCT PRILLED
Place of Inspection : Luhai container yard, Qingdao, China
Date of Inspection : June 24-27, 2016
Scope of Inspection : Visual check Packing/ Marking/Cargo condition, Random Sampling & Analysis, Random weighing, Witness of Stuffing, Tally

In accordance with instructions received from our Principal QINGDAO STARCO CHEMICAL CO., LTD. to perform the nominated inspection of the above mentioned shipment, we hereby report the following:

CARGO CONDITION:

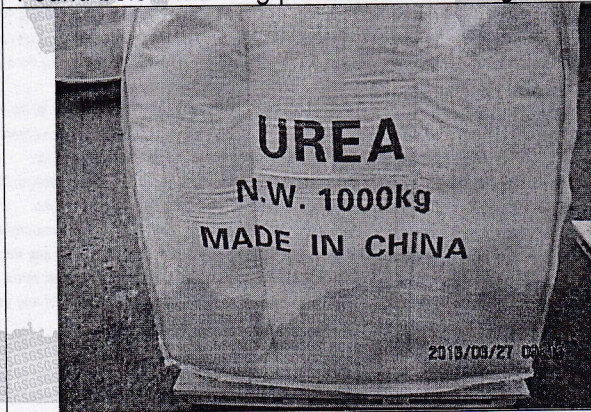

Before inspection, above mentioned cargo in bags were rested on trucks without any coverage in the open yard of Luhai container yard, Qingdao, China.

PACKING:

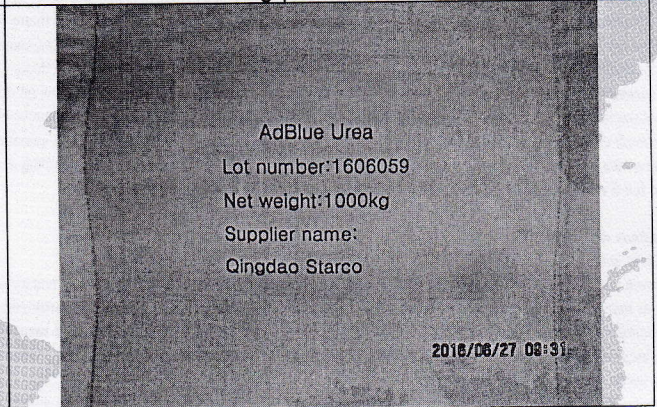

Cargo was packed in 1-ply polypropylene plastic woven bag with string and plastic seal sealed mouth. Declared 1000 kilograms net each bag.

MARKING:

Found below marking printed on each bag:

Found below marking pasted on each bag:

SAMPLING & ANALYSIS:

24 bags out of total 500 bags were chosen at random for sampling. Sample material was taken by a stainless tube sampler from each selected bag. Sample material was found to be white prilled condition.

After sampling, all sample material was well mixed and divided to 4 sets x 500grams as final composite samples. The final composite samples were distributed as follows:

- 1 set of the sample with SGS seal No. 003293 was sent to SGS Qingdao laboratory for analysis,
- The other sets of the samples with SGS seal No. 003271, 003269 & 003277 were kept in our office for 3 months for further reference if required.
